Portable Fuel Container Public Workshop

Dear Sir or Madam:

The California Air Resources Board (ARB) staff is holding a workshop to solicit public comments on modifications to the existing regulation and test procedures for Portable Fuel Containers (PFC).

The time and place for the workshop are as follows:

DATE: Tuesday, May 18, 2004 **TIME:** 9:30 a.m. to 3:30 p.m.

PLACE: California Air Resources Board

Monitoring and Laboratory Division

1927 13th Street, 1st Floor Conference Room

Sacramento, CA 95814

TELECONFERENCE: To participate via telephone call 1-888-390-7303.

The workshop will discuss revisions that the ARB staff intends to make to the PFC regulation, including the addition of a certification program, modifications to spill-proof spouts, and adoption of ASTM Test Methods in place of ARB Test Methods. The workshop will include a presentation by staff as well as an open public comment period. Information regarding this rulemaking item can be accessed at www.arb.ca.gov/pfc/pfc.htm.

Meeting locations are accessible to persons with disabilities. If you have special accommodation or language needs, please contact Elizabeth Mongar at (916) 327-0900 as soon as possible. TTY/TDD Speech-to-Speech users may dial 7-1-1 for the California Relay Service.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our Website: http://www.arb.ca.gov.
